## Players Between U5-U12

**Spring Classic** is a 6-game mini-season hosted at the JC Handy Sports Complex in Brandon, Florida. The program is designed for beginners and returning players to play in the evenings, with games scheduled at various times on Saturdays. New players will be required to order their uniform after registration. Also required are cleats, shin guards, and appropriate-sized ball. (Size three for Under 5 through Under 8. Size 4 for Under 9 through Under 12)

**NOTE - Players registering after March 10 may be subject to age group limitations due to program capacity. Every effort is made to place your player and to have a great recreational experience. The West Florida Flames is a nonprofit organization since 1975 committed to our kids and community.**

**Registration Fee** is \$176 plus uniform. [REGISTER HERE](#)

**Club Uniform Policy** - Each player will be wearing our sharp Capelli uniform kit selected for quality and durability. These uniforms are designed to be used for two-year cycles in all recreational programs. Our partnership with Capelli Sports will allow our members to order direct and be shipped right to your door. Soon after your registration is completed an ordering link with details will be received for the player. Capelli Sport also has some great spirit gear for the entire family.
